Visit Tater Knob Pottery, other Berea attractions Nov. 14

CKMARC wraps up the 2015 touring season with a trip to Tater Knob Pottery near Berea on Saturday, Nov. 14.

Lexington-area members should plan to meet **Jeff and Mary Rhoads** at McDonald's on Tates Creek Road and Man o' War Blvd., and be prepared to leave at 8:30. Meanwhile, the southern contingent will depart at 8:30 from **Lonnie and Carol Pruitt's** Redi Mart in Crab Orchard. Everyone will convene at 10:30 at the food court in Irvine, and will follow **Kenny and Kristin Brake** to Tater Knob Pottery. There, clay is transformed into nationally acclaimed, beautiful and functional works of art.

Tater Knob Pottery produces 25 standard items, including place settings, pitchers, vases, lamps, bells, and their famed "Spoonbread Baker," designed to bake and serve the specialty made famous at Berea's historic Boone Tavern. Each piece is lead-free, usable for serving foods, and safe for use in the oven, dishwasher, and microwave.

Departing Tater Knob, we'll head into Berea, where several lunch options await — including Boone Tavern, Papalino's (Italian cuisine) and other restaurants.

After lunch, you may browse the many shops on the square before heading home at your leisure.

October tour takes CKMARC and Blue Grass AACA members to attractions in eastern Kentucky, Tennessee

Reserve rooms for Browns' May 2016 Michigan trip by Jan. 1 deadline

Rooms are still available for the Michigan trip that **Todd and Michelle Brown** are planning for May 20-28, 2016. But don't wait too long to make your reservations. After Jan. 1, all unreserved rooms will be released back to the motels, and the club's negotiated reduced rates will no longer apply.

For motel information or other details, contact **Todd Brown** at (517) 819-0130 or email ***toddbrown31@aol.com***.

Henry Ford announces plans to build a new model

While recently catching up on our backlog of reading material, we came across the article reproduced below. It was published on Thursday, May 26, 1927.

We intend to follow this story closely, and if anything noteworthy arises from it, we will report the developments as they unfold.

NEW FORD TO BE PUT ON MARKET SHORTLY

To Replace Famous "Model T." Description and Price Soon.

Detroit, May 26 (AP) — The Ford Motor Company will soon place in the light-car field a new machine to replace its present Model T, it is announced.

Details of the new machine were not disclosed. A complete description with the price will be made public within a few weeks.

Parts for the Model T car will continue to be produced because there are about 10,000,000 of these machines in use.

Mr. Ford was quoted as saying:

"At present I can only say that the new model has speed, style, flexibility and control in traffic. There is nothing quite like it in quality and price. The new car will cost more to manufacture but it will be more economical to operate.

The machine, according to the statement, was designed personally by Mr. Ford.

Sympathy

Marie Hagar Preston, 92, mother of **Judy Brumfield**, passed away Sept. 14.

Please keep Judy and her family in your thoughts and prayers.

For sale: 1931 Coupe with rumble seat

Older restoration.
Body: green.
Fenders: black.
Wheels: green.
Asking $14,000.

Ricky Gardner
Elizabethtown, Ky.
270-735-3919

For sale: 1928 Roadster

A nice car ready to drive and enjoy. It starts easy and runs good. It looks great going down the road. Up close the paint has the patina you would expect on an older restoration, with some chips and scratches from normal use. The paint on the fenders has some of the typical spider webbing of old lacquer. The body is straight and sound with no evidence of rust problems. The brightwork looks good despite a little pitting on the windshield frame. The upholstery is clean and serviceable with only one small puncture in the seat bottom. The top is in very good condition and includes a tan canvas cover, no side curtains. Lester tires on front, Garfields on rear, all aged but still getting the job done. Clear Kentucky title. $15,000.

859-912-2300 after 5 p.m.
Florence, Ky.

For sale: 1931 SW Fordor

The car has been totally restored, except for the interior, which is the original mohair. I purchased the car in 2008, and don't know much of the history; the interior has some wear marks, but is good enough that I did not desire to rip it out after I purchased it.

I had Allen Danner, our local Model A guru, install has new brakes, to include cast iron drums, properly arched shoes, Flat Head Ted's floaters, new rods, etc. Also has new shocks — and is in perfect driving condition.

I have used her for local tours, weddings, shows, and the like — never a problem.

The only reason for selling is that I have 14 cars — waaay too many, and I simply do not have the space nor time to care for so many — so I am downsizing the herd!

Asking price is $18,500. I would really like the car to go to a "A" person rather than to a street rodder.
