2016 Michigan tour — by Michelle Brown

We come to you with a request for folks looking to jump in their cars and enjoy the scenery in a whole other state — not dazed or confused, but our home state of Michigan.

I’m told our 2009 Michigan tour is fondly remembered as a week of non-stop Michigan beauty, amazing weather, unforgettable moments, and wonderful friendships bonded through laughter and stories.

I hope you’re ready to ride again because we’re trying to combine another week of information, sights and sounds that will awaken the senses to what Michigan has to offer in maybe a

little different way from last time.

We’re planning our “Michigan Scenes in 2016” tour for around May of next year. It will be an opportunity to travel west to east in the state, with stops in places such as Port Huron to Frankfort, then visits to the popular Gilmore Car Museum or the many lighthouses we can find along the way.

We are in the beginning stages of planning, but we wanted to get the word out so we have an idea of the number of folks interesting in joining us. Please contact **Todd Brown** at toddbrown31@aol.com or **Michelle Brown** at mellenb5@dcpah.msu.edu — or call 517-819-0130 — to let us know of your interest by **May 2015** so we can start making the arrangements for hotels, restaurants, and venues.

Lunch at Michael's Feb. 21 to cure your cabin fever

Banish the winter blahs with an outing to lunch at Michael's Restaurant in Ravenna, Ky., on Feb. 21.

Delmer Dalton will lead a group from the McDonald's on Richmond Road Lexington. Meet there at 9 a.m., and be ready to depart at 9:30. There will be a comfort stop around 10:15 at McDonald's at U.S. 25 and the Eastern Bypass in Richmond.

Meanwhile, **Bruce Bailey** will lead another group from **Lonnie Pruitt's** Redi Mart in Crab Orchard, departing at 10 a.m.

The groups will converge at the Food Court in Irvine around 11:30. **Kenny and Kris Brake** will take over from there, and lead us to lunch.

If the weather isn't conducive to driving your Model A, come modern. And if the weather isn't good enough to come modern — well, that scenario is just too disturbing to think about.

We're pleased to report that **Eleanor Humphries** is home from a recent hospitalization, and has resumed issuing orders to **Sam**.

It will be a 'banner' year for CKMARC in 2015

How could the Wildcats schedule a game the same day as our January potluck? Diehard UK fans were relieved to see the clubhouse's new flat-screen TV.

Once plates were piled high with homemade goodness, Vice President **Delmer Dalton** announced the 2015 club tour dates and gave an overview of January's planning meeting.

The club will purchase new banners to be displayed at club activities, as well as car magnets. **Jeff Rhoads** shared the designs and explained the layouts. One car magnet will be provided to each club member. Additional magnets will be available for purchase. Jeff also created business cards for members to hand out.

Herman Butler passed out the 2015 calendars. The calendars always start great conversation and captured another memorable year. — *Kim Hollis*
