CKMARC holiday potluck luncheon is Dec. 9

Southern Heights Baptist Church, 3408 Clays Mill Road, Lexington, will be the site of our annual Christmas potluck and auction on Dec. 9. **John and Karen Blair** and **Jeff and Mary Rhoads** will again serve as hosts.

Lunch will be served at about noon — but earlybirds can get a head start on the fellowship. Afterward, there will be a short business meeting, election of officers and directors, and silent auction. Be sure to bring your items to donate for the auction. Proceeds go directly to help offset club operating expenses.

The club will provide meat, plates, cups, napkins, and drinks. Please bring a potluck dish to share (don't forget a serving utensil, too). Treasurer **Mike Tearney** will be available to collect your \$20 dues for 2017.

Club buys memorial bricks

by Jack Kubik

A little over a year ago, the CKMARC board voted to honor our deceased members with the purchase of memorial bricks placed on the walkway of the National Model 'A' Museum located at the Gilmore Museum Complex in Hickory Corners, Michigan. In this way, we are creating a lasting memory of our deceased friends for their families and our club, while supporting the Model 'A' hobby for future generations.

Club needs your ideas for 2018 activities

What kind of activities would you like to do with the club next year? Do you know of a good destination for a day trip or weekend journey with interesting sightseeing possibilities, scenic byways and quaint eating places? Are there things you'd like to see the club do more of — or others you'd prefer less of?

At the holiday party on Dec. 9, as always, we'll provide forms on which members can submit their ideas for activities. If you can't make it to the December event, you can still have a say in what we do next year. Just contact one of the officers or board members listed in the red box on page 2. In order for your input to be included at the board's year-end planning meeting, we'll need to hear from you by mid December.

Please note that submitting an idea does not obligate you to be the one who makes the arrangements for an event. Volunteers are welcome, of course, but sometimes it's the ideas that are in short supply.

'In the shop'

Several CKMARC members are recovering from illness or injury. We wish a speedy recovery to **Herman Butler, Linda Kubik, Cherryl Goodman, Carl Goodwin** and **Allan Wickersham**.

Thanks

Dear CKMARC Members — I truly appreciate the many cards, calls and expressions of sympathy after the passing of my mom. I treasure your friendship. — **Jeff Rhoads**

We recently have added another name to our memorial, that of our friend **Terry Meek**. His brick will be dedicated at the museum on Model 'A' Day in 2018.

If anyone knows of a member we may have missed, please let me know. — **Jack Kubik**, (859) 224-8050.

Two Model As and several modern cars braved the uncertain weather forecast on Nov. 18 for a visit to the Bluegrass Heritage Museum in Winchester.
