

Tour to Harrodsburg Mar. 24

by Jack Kubik

Let's hope that spring has finally "sprung" when we head out on our March tour. The meeting place is Chick-Fil-A on Harrodsburg Road in Lexington. The plan is to pull out at 10 a.m., so come a little earlier if you want to grab something to eat or drink before the tour.

Originally, the destination was lunch at the Beaumont Inn, but since a noon meal is no longer an option there, we've made a switch to the Kentucky Fudge Company. This restaurant is located in a treasured piece of history, an early American drug store, where the local pharmacy and soda fountain was the town's gathering spot. Although pharmaceuticals are no longer dispensed, it has once more become a place where family and friends can meet for a meal, old fashioned ice cream or their favorite fudge.

Food orders are placed at a counter from a chalk board menu and you are given an old wooden spoon, with your order number on it, to take to your chosen seat. The server will then deliver your food to you to enjoy. Lunch is scheduled around 12:30 for anyone who may choose to meet us there. The return trip has a planned stop at a craft and antique mall named Back Porch Treasures, also located in Harrodsburg.

Hope to see you there!

You asked, and we listened!

As many of you know, we have a suggestion box at the Model A Museum. For the last few years we have gotten several requests for more interactive displays. At Model A Day 2017 we introduced "How to Start a Model A." It has become very popular for young and old alike, for those who remember when, for those who have no idea and everyone in between. Thanks to Joe Hornacek and Ken Ehrenhofer for making this happen.

Please pencil in the 2018 Model A Day on September 15 in your calendar and make your plans now to attend. You won't be sorry!

We also added a PayPal button to our website — maffi.org — which makes it much easier to order merchandise, pay for MAFFI Membership and order memorial bricks.
